Photo Night

On February 16, JessiRose Photography will be taking group and individual photos. Payment is due at the time the order is placed. Parents are not allowed to take photos on the photographer's setup as it may interfere with the equipment.

The following are the photo and rehearsal times. Please bear with us this night as picture night gets a little hectic. We will do the best we can with the limited time frame we have. We will take group photos and then individuals if you would like one. Please get your skater ready for pictures as quickly as possible before they skate. If you have any questions, please do not hesitate to ask any board member. Freeskate 1-6, Artistry and Graduates – we will try to get you to as much of your lesson as possible. Please be ready when it is your turn!

Flower Sales Table

The board has ordered flowers to sell at the ice show. We will not have any carnations again this year but we have increased the amount of roses again to 625 since we ran out last year! We will also include baby's breath with the rose orders instead of the greenery. Don't forget to sign up if you want to volunteer at this table during the show.
