Skaters will pay for the entire season instead of with a pass. We will need ice monitors for each session to check skaters on. Board will review the document further and vote by e-mail.

Advertising for Club: Club spent \$65 on an ad that will be in the Jefferson City Guide. The Guide is given to families moving into the area and refers them to our website. Discussed possibility of advertising in the Back-to-School section of the News Tribune. Motion made to place a total of 5 ads in the Happy Ads section starting the end of July. The first 4 will focus on preseason and the final ad will advertise our registration night. These will run every other Sunday. Total cost will be approximately \$200 for the 5 happy ads. The board discussed placing ads/flyers at grocery stores and the children's section of the library. Club Members: After registration a list of all Club members and their levels will be sent to Board members so that they are aware who is a member. Questions were raised last

year as to who is eligible to skate during freestyle sessions as well as if individuals were members. This list may help to respond to questions regarding members. This list should not be shared outside of Board members.

Debbie reported that the Relay for Life team came in 3<sup>rd</sup> in youth teams. Skaters had a good time while they raised money. It will be mentioned in the next club newsletter. Kristi will email Amanda to get the details to put in the newsletter.
