

Costume List

Here is the list of items needed for the skaters in the ice show. Club purchases items in bulk so we can get a discount price. Items that club purchases for costumes are then paid for by the skater family. Items will need to be paid for when they are picked up. Once they are picked up, they are the responsibility of the family. Club may not be able to provide another so be very careful with them! All skaters should wear over the boot skating tights for the show (no stones!).
