Each week an email will be sent out with a newsletter containing information about the following week. It is very important that each parent read the newsletter each week to keep informed. This is the easiest way we have found to keep all parents informed. Newsletters will also be posted to our website the weekend after they are emailed out. If you do not receive the emails, please go to our website and sign up at: www.JCFSC.com/list. Be sure to add president@jcfsc.com to your address book to ensure the emails do not get filtered by the spam box.

The information above will be the times your skater will skate for the 5 rehearsals. Times will change for February 16th as that is picture night. We have found it is best to have photos taken before the kids skate. Please bring your skater to the rink in costume and ready for pictures by the time listed. Allow for time to put skates on. Photos will be a group photo followed by individual photos of those who want them. ALL skaters are encouraged to pose for the group photo even if you do not plan to purchase. More information will come out about this in the newsletters, so be sure to check them!

If you have any questions you can reach me by email at president@jcfsc.com or by phone at 573-680-2422.
